

Hiring Season *Review*

Recruitment Reflections

Which of these avenues are worth continuing next year?

Take into account the amount of effort involved in the process, the cost, and the results you see.

You may want to let go of the methods that take up a lot of time or money but aren't bringing in results.

If you eliminate current strategies, you can brainstorm some new ones.

Potential Recruitment Strategies	Cost	Recommended by

Was your time used well during hiring season? _____

Were you able to organize your schedule well and make time for all your other work as well as interviews, or did your schedule feel stretched?

What changes or processes will you implement for next year?
